Chaita	..	March-April.
Baishâkha	..	April-May.
Jeth	..	May-June.

III. LOVE AND INTRIGUE.

1. A *dâdrâ* from Katni. The *lotâ* is a brass vessel used for carrying liquids. A cord is frequently tied about its neck and it is lowered into a well in order to bring up water. See note on 6, 7 below.

2. A *kajlî* from Imalhapur. This is a teasing song and in this case the *kajlî* is addressed to a young maid of beauty. The *pânwâlâ* prepares and sells the *pân*, a mixture of betel nut, lime and tobacco wrapped in Piper leaves (*Piper betel*).

3. A *dâdrâ* from Katni.

4. A *dâdrâ* sung at the wedding season: from Jubbulpore. The suspicious husband is assured that his wife's smiles and blushes are innocent, and are directed to no other man. The first line should be repeated four times.

5. A *dhîmar* from Katni. The *dhîmar* is a member of the fisherman caste, but is used in another sense.

6, 7. These are both *dâdrâs* from Katni. The symbolism of these two songs is perhaps obvious. Sexual matters are referred to by the men as entering a house, as a lotus on a pond or in terms of getting water from the well.

8. A *rât* from Katni.

9. A *biyâ*, or wedding song; sung at the time of the circumambulation of the sacred post. From Salavara. The terms of relationship are noted in the text of the translation. The intrigue is rather complicated and it is evident that the mother-in-law, who ought to be on her guard, is a simpleton and does not realize what is going on. The symbolism is apparent.

IV. SONGS OF SOCIAL EVENTS.

1. This song is called *chhanhar* as it is sung on the sixth night after the birth of a child. The woman complains that the in-laws care nothing for her birth-pangs. Given by women near Katni.

2. A *badhwâ*, a song sung by women when a male child is born. The song is kept up for long periods and is repeated again and again. It is essentially a song of congratulation. Ayodhya was the place of Ram's birth. This song given by women near Katni.

3. Another *chhanhar* or sixth-night song from Katni. A Kajali forest (dense—black as *kajal*) is one inhabited by elephants. The swing has a sexual symbolism.

4. A *dâdrâ* from Imalhapur. The *Pûrabiyâs* are dwellers in the eastern parts. There is a Purbiya subdivision of Chamars. (Briggs, *op. cit.* page 24). The *Baghels* are men of Baghelkhand.

5. A *rât* from Katni.

6. A marriage *dâdrâ* from Barela and sung as a teasing song. *Marawâ* or *marhwâ*: the wedding booth.
